

Husky tools

save repair time.....

No. 696 1/2 Service Set \$21.00 complete

No. 642 1/2 Williams-Husky \$28.30 complete

If you own one or more trucks, you need a set of Husky Socket Wrenches. Huskys will quickly pay for themselves in time saved and in early repairs. If you do not service your own trucks, a set of Husky Wrenches in the garage will encourage your drivers to make small adjustments and repairs themselves and save you many a dollar. If you maintain your own force of mechanics, Huskys will help them to do more work in less time. Husky Socket Wrenches are used in the best garages all over the country. Seasoned mechanics prefer them for their extraordinary strength, light weight and time-saving design.

Guaranteed Forever!

against breakage!

Husky Wrench units are fully GUARANTEED FOREVER against breakage. Should any part prove defective and you believe it is not a result of over-abuse but the fault of the part itself, simply mail us the broken unit and it will be replaced promptly and free of charge.
